Re: Asbestos Management Plan Closeout  
CAA Job Number: 09-1037-001

Dear Mr. Coleman:

After our site visit, to both the Martic Elementary School and the Marticville Middle School. All known documented visible asbestos has been removed from both buildings and as such should be deleted from the Asbestos Management Plan. Since these were the last buildings in the District containing asbestos, the District Asbestos Management Plan can be considered closed out. Place this letter in the front of the Document and retain for your records.

If you have further questions, you can call me at (717) 379-3782.

Sincerely,

Richard E. Roush, CIAQM
